CORVETTE

A man wearing a green jacket, blue pants, and a green cap stands next to the dark blue Corvette, leaning on its rear. He is smiling at the camera. A white vertical post is visible in the grass near his feet.

Another man, wearing a dark jacket and glasses, is partially visible behind the dark blue Corvette, looking towards the camera.

Two other Corvettes are parked in the background. One is a light blue convertible, and the other is a darker blue coupe. They are parked on a grassy area.

In the background, several other vintage cars are parked, including a white van and a yellow car. A wooden gazebo is also visible among the trees.

A wooden building with a shingled roof is visible in the background on the left side of the image. It has a rustic appearance with horizontal wood siding.
