President's Corner

Hello Corvette Enthusiasts.....

Happy Easter to All.....

Everyone has been extremely busy in preparation for our 41st Plastic Fantastic.

Please continue getting those donations as the Raffle plays a huge part in the success of our show, thus enabling us to give a larger donation to our USO charity. Don't forget, on Sunday, May 13, our club will be promoting Plastic Fantastic on the KUSI news.

Then on May 20, 2018, our annual 41st Plastic Fantastic All Corvette Car Show will kick off, where we will be dedicating this year's show to the memory of Jack Grindstaff. I would personally like to thank all of our members for all of their hard work, support and dedication in making certain that this year's show is once again a huge success!

On March 18th through the 20th I attended the Ron Fellows Performance Driving School – COS, in Pahrump, NV. What an experience! I learned so much about the Z06 and how it should be driven. The instructors were outstanding, so knowledgeable and so patient...was definitely one of the best experiences I have had thus far. If you have the opportunity to attend...it is a definite must...you won't be disappointed!

On a more somber note, Bob Mackey, a member of our club, recently passed away. Club members and their Corvettes participated in the memorial procession to the Miramar National Cemetery in order to honor the memory of Bob Mackey and pay their respects to Lena and her family.

The Memorial Service was held on March 26th with full military honors. Bob served his country valiantly, was an outstanding individual and will be dearly missed by us all.

I look forward to seeing everyone at our April 10, 2018, NCoCC Business Meeting. The month of April has many activities scheduled, so please don't forget to visit our website for all upcoming events www.ncocc.com.

"25 Members enjoyed Bagels, Muffins and Croissants at Jay's Sea Salt Restaurant before driving up the 5 and 405 to the Crevier Auto Museum. The business is owned by the Crevier BMW dealership and stores cars on a charger, sells cars on consignment and houses small private collections including theirs. We had a great time there."
