Hello Corvette Enthusiasts.....

Spring is on its Way.....

Remember to Spring forward one hour
on March 11th at 2:00 a.m.

A special shout-out to Dale for setting our club up with an incredible "Valentine's Run" to experience Don's amazing private collection in Corona. Afterwards we enjoyed a great lunch and were able to enjoy the park, specialty shops and farmer's market at Tom's Farms.

Upcoming, on March 11th, we will be visiting the Crevier Classic Cars Museum in Costa Mesa. Jay will be providing a lite breakfast for us before leaving for the cruise. If you would like to sign up, please email Sam so he can add you to the rooster. In April we have the Long Beach Grand Prix on the 14th, the SDCLC Deer Park Car Show on the 15th, along with the GM Beach Classic in Redondo Beach on the 28th. On Sunday, May 13th our club will be promoting Plastic Fantastic on KUSI news and on May 20, 2018, our annual 41st Plastic Fantastic All Corvette Car Show, where we will be dedicating this year's show to the memory of Jack Grindstaff. Sam Rindskopf, this year's chairman has already reached out to the club for volunteers to sign up for the many jobs needed. Please make sure to contact Sam and let him know where you would like to help out. A sign-up sheet will also be circulated at our monthly Business Meeting. With everyone's help, we are certain to make this year's show a success, once again.

Oh...my very special event coming up on March 18th through the 20th is attending the Ron Fellows Performance Driving School. Look out guys....when I come back I hope to be a fierce competitoror at least learn how to control the ferocious beast in my Z06!

I look forward to seeing everyone at our March 13, 2018, NCoCC Business Meeting. Don't forget to visit our website for all upcoming events www.ncocc.com.

February 17th

Our Club took a drive to Corona to check out the personal residence of Don's. Behind his large home he constructed a large 2 story building to house his collection of cars and thousands of antiques. He also has a separate smaller building which serves as his shop. We saw a Corvette in the process of being built in that garage. After we finished up at Don's we headed a few miles down the freeway to Tom's Farm for lunch and shopping.

Happy Birthday to You!
