## *President's Corner*

### ***Hello Corvette Enthusiasts.....***

### **September is Here!**

The Past President's Picnic (Luau) was amazing! Wes and I so enjoyed spending time, relaxing, and getting to know everyone a little better. It was definitely a fun event and hopefully we can all get together next year and enjoy the comradery of our members once again. Any suggestions for next years' theme would be welcomed.

At our August meeting, we welcomed three new members to our Club....J.T. McGuire, Dale and Jody Mitchel and Doug and Jamie Tyrone. Our new members come from diverse backgrounds and will bring new and different perspectives to our club. We look forward to their new skills and different experiences that will definitely make our club more vibrant and exciting!

At our upcoming September meeting, we are planning on presenting Bobby Woods, the USO Director for the San Diego Neil Ash Airport Center, our Club donation in the amount of \$5,500, which is the proceeds from our 41<sup>st</sup> Plastic Fantastic Car Show. Our Club Charity, the USO of San Diego, continues to provide excellent service and host our active duty military through the airport. The mission of the USO is to strengthen America's military service members by keeping them connected to family, home and country, throughout their service to our nation.

Upcoming Club events in September is Lefty's Track Day at Auto Club Speedway in Fontana on September 12<sup>th</sup> and The Prescott Vette Sette All Corvette Show on September 22<sup>nd</sup>.

I look forward to seeing everyone at our September 14th NCoCC Business Meeting. There are many activities scheduled through the balance of the year, so please don't forget to visit our website for all upcoming events. [www.ncocc.com](http://www.ncocc.com)

# VETTES ON THE ROCKIES

August 23 -26, 2018

The Steamboat Grand Resort

Looking Glass Corvette Association

Three cars from NCoCC joined with six cars from Corvettes of Temecula Valley (COTV) for a trip to the Rockies where we met up with other corvettes from several states (200 corvettes total).

We met in Perris, CA, and began our journey to Mesquite, NV, Zion National Park, Price, UT, and Steamboat Springs, CO. To many great memories to share here, but if I could share a few...

Day 2 of our travels was definitely the most exciting and I am talking about the weather. It began in Zion when we ran into lightning, thunder and a short but hard hail storm. As we left Zion to continue our journey to Price we ran into rain, then torrential rain and mud slides. Luckily, our corvettes made it through the weather and dangerous driving conditions unscathed. A Prius traveling in front of us did not.

Day 3 of our travels we ended up in Dinosaur, CO, for lunch where we ate the Highway Bar & Grill. The local establishment in this small town where everybody goes. It is run by the Fire Chief and the Police Chief, Troy. Yes one man packing a firearm was our host. Poor guy was so overwhelmed with 12 of us showing up to eat that he cooked and we served ourselves.

Hope you enjoy some snapshots from our trip!
