President's Corner

Hello North County Corvette Club members,
We have made it past February and the club activity was the Valentine's run.

We had an awesome route to cruise, thanks to Sandy and Lynn. The turnout was awesome, I guess we all like "cruz'in", then eating good food. I know we will have more fun activities coming for the club members.

The remainder of the month has been very busy at our household.:

Renee fell and broke her wrist again; she is now on the mend. The cold made its presence felt with both of us trading and sharing the colds.

We also had our son, James, tell us he was considering a job move to Georgia. I did get a chance to drag race and spend quality time at the Strip in Vegas with James and then we got to celebrate our sixteenth anniversary with a great meal at Mandalay Bay; yes Renee did take some money home.

The biggest news was our daughter, US Army Sgt. Beth Toomey, got married on the day after our anniversary. We are happy for the couple and wish them the best. We got to meet her now husband over Thanksgiving and she met his parents after her transfer to Georgia.

I hope March is a little slower or at least paced so everything doesn't happen at once.

It will be a good month, as long as El Niño gives us water in rates for the ground to absorb and lakes to fill.

Remember we have Plastic Fantastic coming in just over 2 months

I am proud to be a member of North County Corvette Club!

February has flown by. If you missed the Valentine's run to the Lazy H, you missed a great event. 22 cars!

Mid-Engine Corvette In 2016?

Sam Rindskopf provided this link to an article on this subject:

SCOOP: Mid-Engine Corvette Likely To Be Confirmed in 2016
Corvette Forum has it on good authority from an as-yet unnamed source that GM is already several years into a mid-engine Corvette project that's reaching the point of no return. Here's the latest on what we know.

Interesting story!

VALENTINE'S RUN TO LAZY H RESTAURANT

February 13, 2016

Photos from Bob Hurst

Love was in the air on Saturday, February 13th, when 22 Corvettes and their 44 passengers set out from North County Fair to take a leisurely hour and a half cruise through the back country by Lake Henshaw to end up at the Lazy H Restaurant in Pauma Valley.

Renee and Rick had a rose for each of the ladies with a Valentine's card attached containing a cute poem.

The day was gorgeous with blue skies and moderate temperatures. It was definitely a top down day. There were lots of wildflowers along the roads and the hills were green from the rains we've had recently. When you have as many cars as we did on this run, it's pretty special to see the whole group as we were heading toward the turn to go to Pauma Valley.

On our way down the hill into Pauma Valley, we had a little excitement when some bicyclists decided they were going to join our group as we started which scared a few of our members because these guys were going the same speeds we were and were drafting behind our cars! One even passed Ed and Candy Daher! I'm glad we didn't need Dr. Rob's expertise because, if one of them had gone down, it wouldn't have been pretty!

Our trip culminated at the Lazy H Restaurant where we were greeted warmly by the manager and waitress. The food was good and the service was adequate considering there was only one waitress and the manager serving. Everyone received a chocolate heart to sweeten their day.

Crazy Bicyclist!

CLUB MEMBER'S PERSONALIZED PLATES

Bob Hurst sent these pictures of the personalized plates on the cars participating in the Valentine's Run. He was amazed at how many of us have them for our cars. Recognize yours?

PLASTIC FANTASTIC RAFFLE

Calling all members! Plastic Fantastic will be here in no time and I need to get an idea of the prizes you plan on donating for the raffle. If you are going to put something together yourself, please remember to keep in mind the limited space in a Corvette and plan to make sure the item will fit in the car. You may also donate cash to the cause by giving it to Gary Sadnick so he can keep track of the amount.

Please email me with prize information to mrsr2me@yahoo.com or let me know at the March meeting as I have begun a list of prizes. I have been purchasing items with the seed money the Board approved but I need to get more things. Last year, we had over 100 prizes to give away. With 300 cars and 600 participants, we need to have an adequate number of prizes to ensure we sell lots of tickets.
