SAVE THE WAVE

North County Corvette Club (NCoCC) is a not-for-profit organization founded in 1974 by San Diego Corvette enthusiasts who wanted to enjoy America's finest sports car. Our sponsor is Bob Stall Chevrolet in La Mesa, and NCoCC is a member of the National Corvette Museum and the San Diego Car Club Council.

Club members enjoy planned trips, car shows, auto rallies and a host of social and Corvette-related events, including a Christmas Party, an Annual Awards Dinner, two major NCoCC shows (PLASTIC FANTASTIC at Seaport Village, and ENDLESS SUMMER at Bob Stall Chevrolet), monthly fun runs, and special trips. We support local communities in the San Diego County area by participating in special event parades and high school homecoming events. Our members also devote a lot of time, energy, and resources in supporting our club charity, the Challenged Athletes Foundation located in Del Mar, CA.

Business meetings are held the second Tuesday of every month at 7:00 pm at the Well Church located at 13604 Midland Road in Poway, CA 92064. You are welcome to bring your own food to dine with friends. There are a variety of restaurants nearby. We always welcome and encourage guests to attend our meetings and to participate in our club sponsored events.

For a map of our meeting location on Midland Road, please check our club web page at www.ncocc.com.

Membership is open to anyone at least 18 years of age who owns or leases a Corvette. Applicants must attend two business meetings and participate in one club event before becoming a member. Membership in NCoCC entitles you to:

- A membership card for you and your significant other**
- Discounts on parts and service at participating dealers (Bob Stall and others)**
- A club T-shirt**
- A name tag**
- A monthly newsletter**

Members are expected to attend regular business meetings, maintain current dues, and support the club by serving on committees and participating in club events.

Initiation fee is \$25. Dues are paid in advance: \$75 for one year.

We hope this short introduction is helpful. If you have any questions, please contact us via 'snail' mail at P.O. Box 500104, San Diego, CA 92150, or via e-mail to ssmayer@cox.net.

Again, "Welcome to **North County Corvette Club**." Your only requirement is to have a great time and make some new friends along the way.

Sandy Mayer
President, North County Corvette Club

President's Corner – April 2008

President's Message for April 2008

As we welcome spring to San Diego, I look forward to increased activity with club runs, car shows, the 32nd Annual Plastic Fantastic show, a few technical venues to attend and whatever else we come up with. April will be our first official meeting at the new location. We will be meeting the second Tuesday of each month at Well Church, located at 13604 Midland Road, Poway, CA 92064. The meeting room is spacious, very clean, and has matching furniture. The parking lot is right behind the meeting room. Please feel free to bring food, come early and visit before the meeting. We do not have to put tables away after the meeting so we have time to socialize.

Once again the weatherman did not look out the window when they forecasted rain, hail and whatever else was going to hit, resulting in the Chino Airport run being prudently cancelled. Bob and Tom will look to reschedule. Another upcoming run that will be scheduled soon is to Vestri's Vettes in Elsinore. John Vestri and Tom Gase were guests at the meeting at the Well Church and did an excellent presentation on how they take C1, C2 and C3 Corvettes and bring them to new car levels. We were invited to come up and see the process, and rummage through unknown treasures of parts that have been removed when the cars are upgraded.

Let's make this an active spring.

Your Prez,

Sandy

Challenged Athletes Foundation

Candi Daher, Charity Rep

Qualcomm Million Dollar Challenge

The Qualcomm Million Dollar Challenge is an unforgettable seven-day, 600-mile journey down the breathtaking California coastline from San Francisco to San Diego. The ride begins on Saturday, October 18 with an arrival in San Diego on Friday, October 24. Participants have the option of riding a final stage on the 56-mile bike course used for the San Diego Triathlon Challenge on Sunday, October 26. The Qualcomm Million Dollar Challenge riders will play a memorable role in that day's "celebration of abilities."

Participation includes a fully supported ride, including hotel accommodations for seven nights, daily breakfast, lunch and dinner, tour leaders, sag wagons, mechanical support, first aid, massage, and bike transport from Southern California to San Francisco prior to the start of the ride. Each rider will be outfitted daily with MDC-branded cycling apparel and have the opportunity to take part in a 20-week training program, including group rides in San Diego, indoor cycling classes and a customized training manual.

The money raised for the Qualcomm Million Dollar Challenge will help seed a capital campaign for the construction of a Challenged Athletes Foundation headquarters facility, unless otherwise directed by the donor, in which event, such donations will be applied towards the payment of additional handcycles, racing chairs, sports chairs and sports prosthetics for challenged athletes, as well as help subsidize their competition and training expenses.

 AN AMERICAN REVOLUTION

BOB STALL  **LA MESA**
You're Gonna Get A Good Deal.....

Thanks to Tom Harper, Lynn Grindstaff, Lynn Mayer, Sandy Mayer, Bob Brown, Randy Solle, Linda Kotanan, Don Houser, Tom Astengo, and Bob Hurst for their contributions to this newsletter.

OUCH! Just when you think Tom and Marilyn Astengo have settled into their new life in Georgetown, Texas, with plenty of time to enjoy that 1964 red Vette, better known as “the Mutt,” someone comes along and bites them in the butt. (Hey, I think there’s a rhyme there somewhere). Tom reports it’s almost ready for the road again.

Drumroll, please

After 31 years, 6 months,

2 Barns,

5 garages,

and 2,500 miles,

DIANE AND RANDY'S "BABY" IS BACK ON THE ROAD.

Our current Sergeant-at-Arms, Randy has held two other NCoCC Board positions--Member-at-Large and Historian. In 1976, Randy purchased his first Corvette, a 1960, that he drove only 50 miles. He says, "Like any good motorhead, the first thing I did was tear it apart. For the next 25 years, it sat in pieces and just kept getting moved from building to building. After I moved here almost 6 years ago, I got the bug again, went back home, bolted the body down, loaded up all of the pieces and am now finishing it off." And after only 31 years, he's finished with the restoration! But Randy hasn't waited around "Vette-less" all those years, because within these 31 years, he's owned a White 62, a new 1980 (which he showed for three years before selling it) and their current new beauty, a 2002 convertible.

Display for the Benefit of Oak Valley Middle School at Maderas Country Club
March 8, 2008

In March, NCoCC members were asked to participate in a fund raising event to benefit the Oak Valley Falcon Foundation. The Foundation supports Oak Valley Middle School in the 4S Ranch area of Rancho Bernardo. The auction and cocktail party brought out 5 cars owned by members.

As the sun was setting on the surrounding hills, the Grindstuffs, the Mayers, the Dahers, the Browns, and the Hursts welcomed those who attended the charity benefit to check out the cars and ask questions.

Bob and Liz' red '57 Chevy and the Hursts' '56 Nomad

The group answered questions from guests.

At the Well Church on Midland Road, members met to check out this possible meeting place. A majority of our members made it to the March 18th meeting and voted to move our meeting location to this clean, well-appointed room. The club served pizza and soft drinks to those who attended the meeting. The table arrangement made it so easy to socialize with friends and carry on conversations before and after the business meeting.

Members were welcomed by Senior Pastor, Dr. Rik Wadge, and Assc. Pastor, Steve Whiting (top right). John Vestri (red shirt) from Vestri's Vettes shared a Power Point presentation on the "powerful classics" they produce at their location in Lake Elsinore. Most who attended would say they see great potential for enjoyable gatherings ahead!
