Presidents Corner

October 2012

Hello Fellow NCoCC Members,

Well, it is hard to believe but the summer is almost over. Although it was a bit warm at times, it was certainly a very nice summer with some great Club events. The Past President's Picnic was a huge success. It was great to see so many Vettes parked together at Donna and Sam's home in Ramona. And, once again a big thank you to Donna and Sam for hosting!

Our Ice Cream Social at last month's Business Meeting was also very enjoyable. There is nothing better than cold ice cream on a warm summer's night. I want to thank Marilyn & Wayne and Bette & George for all of their efforts. I really hope everyone liked the ice cream and toppings because apparently we still have some left and will probably do another social in the near future.

This year's Greatest Show on Turf saw a nice showing from NCoCC. We had eleven or twelve cars at the show and they all looked great. Although none of us won any awards or trophies (I am told that it is very political), we all had a good time. The weather was perfect (except for a two minute very light bit of rain) and the Liberty Station venue has turned out to be almost as nice as the old Balboa Park venue. Maybe even better because access is easier and there are lot of really good restaurants and shops right there. They even had an old fashioned Good Humor truck and white suited driver to sell authentic Good Humor ice cream bars. I enjoyed mine while listening to the awards ceremony.

For September, our Club event was the Coronado Speed Festival that is part of the 15th Annual Fleet Week. A group of club members went to check out all of the events and activities. Hopefully, we will get a report about what they saw and did at the festival.

September also saw eight or nine NCoCC cars go to Prescott, Arizona, for the Sixth Annual Prescott Historic Corvette Car Show. Although I have not personally been to this show (my car may not be able to make it that far), I hear it is really a great show in a great town. As soon as I purchase my next corvette (late model and hopefully very soon), I plan to join in this annual trek. I am sure we will hear some great stories at our next Business Meeting about this long distance run.

Presidents Corner continued

Looking forward, our Club event for October will be a run out to the Borrego Desert for the 47th Annual Borrego Days Festival on Saturday, October 27. As of press time, I am told that we have ten Club cars heading out to Borrego. I went to this festival last year and had a really nice time. The ride is quite enjoyable with lots of winding roads and the festival in the center of the town had some great music and food vendors. We even got our own special parking lot because they have a small car show right across the street from the main festival area. Dave Regenhardt (whose family has owned property in Borrego for many years) has recently noted that "The Borrego economy is in the tank. They need a moral boost and I think we can help." With that said, I would encourage all of our members to join us for the Borrego run. It will be a great drive and we can do our little part to help Borrego showing our support for their show and by spending a little money in their town.

Finally, as briefly mentioned at our last meeting, I am trying to put together a spreadsheet that will have a list of favored runs and events so that we do them again in the near future. This will also make the activities job a lot easier. Please send me an email with your favorite past Club event for inclusion in my list. Thanks!

That's all for this month's message. Please remember to visit our Club website at www.ncocc.com for additional info about upcoming events. I look forward to seeing everyone at next month's Business Meeting on October 9th which will be a Club sponsored dinner meeting. Please arrive early to eat and socialize.

All the best,

Jay

October 27...

for the 47th Annual Borrego Days Desert Festival

This FREE festival takes place on Friday, October 26th, and continues through Sunday, October 28th. Friends and family will gather for this local tradition to enjoy the Heart of the Desert.

We will attend the Saturday portion of this festival and participate in the parade in the heart of the town at 10:00 a.m. Join us and see the lively marching bands, floats, classic cars, decorated golf carts, equestrian groups and much more! The Grand Marshal, this year is Ricardo Breceda the local artist and designer of the life-size metal animal sculptures located throughout Borrego. You may remember these sculptures from our run to Borrego last year.

The event runs until 10:00 p.m. on Saturday. So, take a stroll and visit an array of artists, retail and food vendor booths, listen to the amazing live entertainment in the circle, or quench your thirst in the beer garden.
