President's Corner

June 2013

Greetings NCoCC Members,

Wow! What a busy month we just had. Plastic Fantastic was definitely the highlight of the month. It was a great show with a great turnout and fantastic weather. I think the entire club deserves a big congratulations for putting on a first class car show like none other. We had great raffle prizes and silent auction items, and generated a lot of money to be donated to the USO. Everyone pitched in to help run the show and it went off perfectly. I especially want to thank the Plastic Team Leaders for all of their help throughout the planning process. I could not have steered Plastic without the help of Sam Rindkopf, Sandy Mayer, Kathy Buie, Jim Snook, Dave Regenhardt, Kathleen Regenhardt, Laura Brandon, Mike Bonar and George Marks.

Prior to Plastic, five of us went to KUSI to do a TV segment with Dave Stall on Saturday, May 11th. This year they gave us four minutes to promote our show. It must have worked because we ended up with over 300 cars at the show and tons of spectators.

Also, immediately prior to Plastic, on the Saturday right before the show, a group from NCoCC went to the Army and Navy Academy in Carlsbad to put on a Corvette display for their Alumni Weekend. The cars looked great on their beautiful, over one hundred year old, campus and the Academy put on a very nice luncheon to which all the NCoCC car owners were invited. They even gave each of us a commemorative pen as a gift.

If that was not enough for one month, on May 5th, a group of around 7 cars went to the Corvettes of Temecula Valley (COTV) car show in Old Town Temecula. The weather was not perfect but the show was very nice and the COTV folks were very welcoming. A big thank you to Rick and Renee Toomey for leading the group from North County Fair to the show location.

Finally, in as much as we will be selecting a new board in June, this will be my last President's Corner. It has been really great getting to know everyone in the Club a lot better than I did before taking on this role. I want to thank everyone for having me as your President and for all the advice I received along the way. I truly learned a lot about the club and its history. It has been a very rewarding year.

President's Corner continued...

thank you

That's all for this month. Please remember to visit our Club website at www.ncocc.com for additional info about upcoming events and to see photos from past events located in the "Gallery" section.

I look forward to seeing everyone at our next Business Meeting on Tuesday, June 11th. And, please, remember that we will be conducting elections at this meeting so please try to be present in person or send in your vote.

All the best,

Jay

North County Corvette Club thanks Jim McQuestion for donating his Corvette related materials to our Club to be raffled to our members. Jim recently sold his C6 and did not want the Corvette items to go unused. He donated shirts, jackets, die cast models, hats and a Corvette wristwatch. The Club is very appreciative of the donations and thanks Jim for thinking of us. Perhaps when Jim gets his next Vette he will consider joining our Club.

Meet our New Member!

Welcome Tim Murray!

Tim lives in Carlsbad and owns a 1969 C3 Burgundy Convertible.

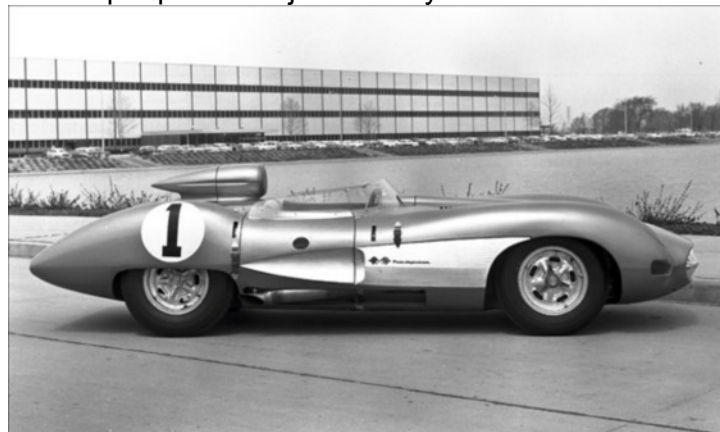

Tim is a professional photographer and owns CPI, Campus Photography International. His company provides traditional "American" style school portraiture to schools and families outside of North America.

Besides his enthusiasm for cars, Tim enjoys sailing, golf, travel, and scuba diving.

60 Years of Cool

The Corvette Super Sport (SS) is known more for its potential than its accomplishments. Built to race in the 1957 12 Hours of Sebring and 24 Hours of Le Mans, the Super Sport shared only its 283-cubic-inch V8 engine with the production car, and it made 24 more horsepower for a total of 307. With a 72-inch wheelbase, magnesium body panels and a tube space frame, the car — also known as the Corvette Sebring — weighed only 1,850 pounds. The car was fast in testing, but a rear suspension issue ended its day at Sebring, and its career was ended outright because of an industry-wide voluntary racing ban that went into effect in 1957 in reaction to a horrific accident at the 1955 24 Hours of Le Mans that killed 77 people and injured many more.

Our Club

Club members enjoy planned trips, car shows, fun runs, auto rallies, and a host of social and Corvette-related events, including a Holiday Party, an Annual Awards Dinner, and the NCoCC Plastic Fantastic all Corvette Show at Seaport Village. We support local communities in the San Diego County area by participating in special event parades and high school homecoming events. Our members also devote a time, energy, and resources in supporting our club charity, the USO (United Services Organization).

Meetings

Business Meetings are held the second Tuesday of every month at 7:00 p.m. in The Well Church Meeting Room located at 13604 Midland Road, Poway, CA. We always welcome and encourage guests to attend our meetings and to participate in our club sponsored events.

For a map of our meeting location, please go to our web site at www.ncocc.com.

Membership

Membership is open to anyone at least 18 years of age who owns or leases a Corvette. Applicants must attend two business meetings and participate in one club event before becoming a member.

Membership in NCoCC entitles you to:

A membership card for you and your significant other.
Discounts on parts and service at participating dealers (Bob Stall and others).

A club T-shirt.

A name tag.

A newsletter via Email and/or the web site.

Members are expected to attend Business Meetings, maintain current dues, and support the club by serving on committees and participating in club events. Initiation fee is \$25. Dues are paid in advance: \$75 for one year.

We hope this short introduction is helpful. If you have any questions, please contact us via email: info@ncocc.com.
