President's Corner

March 2013

Greetings NCoCC Members,

It seems like it was just December and now it is already March! The year is really flying by.

At the risk of sounding like a broken record, I want to once again remind everyone that this year's Plastic Fantastic is only two and one-half months away (May 19th). I want this year's event to match or exceed the previous year's shows which have all been truly "fantastic." But to do so, we need everyone to get involved.

As such, it is imperative that all Club Members get out there and seek donations for our raffle. We really need lots more "stuff" to be donated so that we don't have to use Club funds to purchase items for the raffle. By using primarily donated items, we will be able to make a sizeable contribution to the USO and will not risk Club funds to do it. I personally believe that this is by far the best way to raise money for the USO. Please remember to send an email to Kathy Buie to let her know that a donation has been made. I anticipate that we will have a pot luck lunch sometime in April (date to be announced) so that we can gather up all the raffle items and make final plans for the show. My vision is that this lunch will take the place of the stuffing party that we used to have and which I personally enjoyed as it was a good opportunity to socialize.

If you have not already sent in your Plastic Entrance Form, please do so immediately. This year there is absolutely no fee for NCoCC Members to attend the show (which means no excuse for not attending so that we can have all of our club cars present for our event). However, we really do need all members to personally attend and to help with the various tasks that go into putting on a show of this magnitude. We especially need volunteers for: raffle booth staffing, walking the show to sell raffle tickets, parking and cleanup.

That is all for now. Please remember to visit our Club website at www.ncocc.com for additional info about upcoming events including the USO Wounded Warrior Event on March 3rd, and the Callaway Run on March 23rd. I look forward to seeing everyone at our next Business Meeting on Tuesday, March 12th.

All the best,

Jay

MONTHLY CLUB EVENT

Callaway Cars West Santa Ana, CA

Join us for our March Club Run to Callaway Cars West. It is a short one hour and 20 minute drive to the facility. Following a tour of the facility we will head to lunch at a nearby eatery.

We will meet at the PQ Park-n-ride on Rancho Penasquitos Blvd at 9:00 a.m. and leave at 9:15. Bring your FRS Radios!

Reeves Callaway is a well known racer, designer, and builder of custom Corvettes as well as many other custom cars and trucks. During our tour, we will see the design, build, and production areas that make up the 20,000 sq. ft. facility. You never know who you will meet there or what exotic cars are parked in the show area.

Building beautiful and fast cars has always been the hallmark of Callaway Cars whose tag is: powerfully engineered automobiles. To see the entire line of Callaway products, including the world class Callaway C16, Callaway Corvette (including the 25th anniversary limited edition), Callaway Camaro and Callaway Sporttruck, visit www.callawaycars.com.

Valentine's Run

It was a beautiful sunny day for a drive to San Clemente.

Tops down for those with convertibles

Our destination; South of Nick's Mexican Kitchen & Bar.

Definitely, a place to try. Great food, great atmosphere.

Then we strolled the little beach town. The ladies shopped while the guys tagged along behind talking.

Overall, a wonderful day for sharing the love.
